## PRICELESS IDEAS THAT ARE WORTHY OF EXECUTION!

> What a better way to celebrate erga's 30th anniversary than with our clients and subconsultants who made it all happen! The fruit of our team's and our subconsultants' hard work is the seed of the growth of innovative and ground-breaking projects which our clients aim to enrich their environment with, whether in Lebanon or abroad. These priceless ideas are the essence of our continuous growth in the days to come.

## CUTTING THE SWEET CAKE FLAVOURED WITH SUCCESS

30 YEARS LATER, ERGA'S FAMILY STILL MEETS UP TO CELEBRATE SUSTAINABILITY, CONTINUITY, AND MOST IMPORTANTLY SUCCESS.

> Although it was a gala dinner with 600 guests, the atmosphere of erga's dinner reflected its warm family spirit. Staff members were all having quality time as friends enjoyed the shows, cherishing their time together on the sound of a mixture of oriental and occidental melodies. The celebration of the 30th anniversary at erga was closed with cutting a cake that had the sweet taste of success and perseverance.
